ABOUT TAXFINCOM

At Taxfincom, we are dedicated to simplifying the financial and compliance needs of individuals, startups, and businesses. With a strong foundation in accounting, taxation, GST, legal registrations, audit, and financial consulting, we provide complete and dependable solutions under one roof. Our focus is on delivering accurate, timely, and tailored services to help clients stay compliant, financially healthy, and focused on growth.

01.

Mission

The mission is to make finance and compliance simpler, clearer, and more accessible for every individual and business. By offering timely, accurate, and personalized services in areas like accounting, taxation, GST, and legal compliance, the goal is to remove the stress of financial management from clients' shoulders.

02.

Vision

The vision is to create a future where every business—whether small, growing, or established—has access to dependable, expert financial support without complexity or confusion. The aim is to be known as a trusted partner in every client's journey, offering solutions that are modern, responsive, and grounded in a deep understanding of financial realities.

ACCOUNTING & BOOKKEEPING

Accounting & Bookkeeping keeps a business financially organized, compliant, and decision-ready. It involves maintaining accurate records of income, expenses, assets, and liabilities so you always know where your money is going and how your business is performing. A clean bookkeeping system also ensures smoother tax filings, better financial planning, and a clear picture of overall growth.

BOOKKEEPING

01.

Recording daily financial transactions chronologically.

ACCOUNTING

02.

Analyzing, interpreting, summarizing, and reporting financial data.

A seamless and accurate tax filing

INCOME TAX RETURN (ITR) FILING

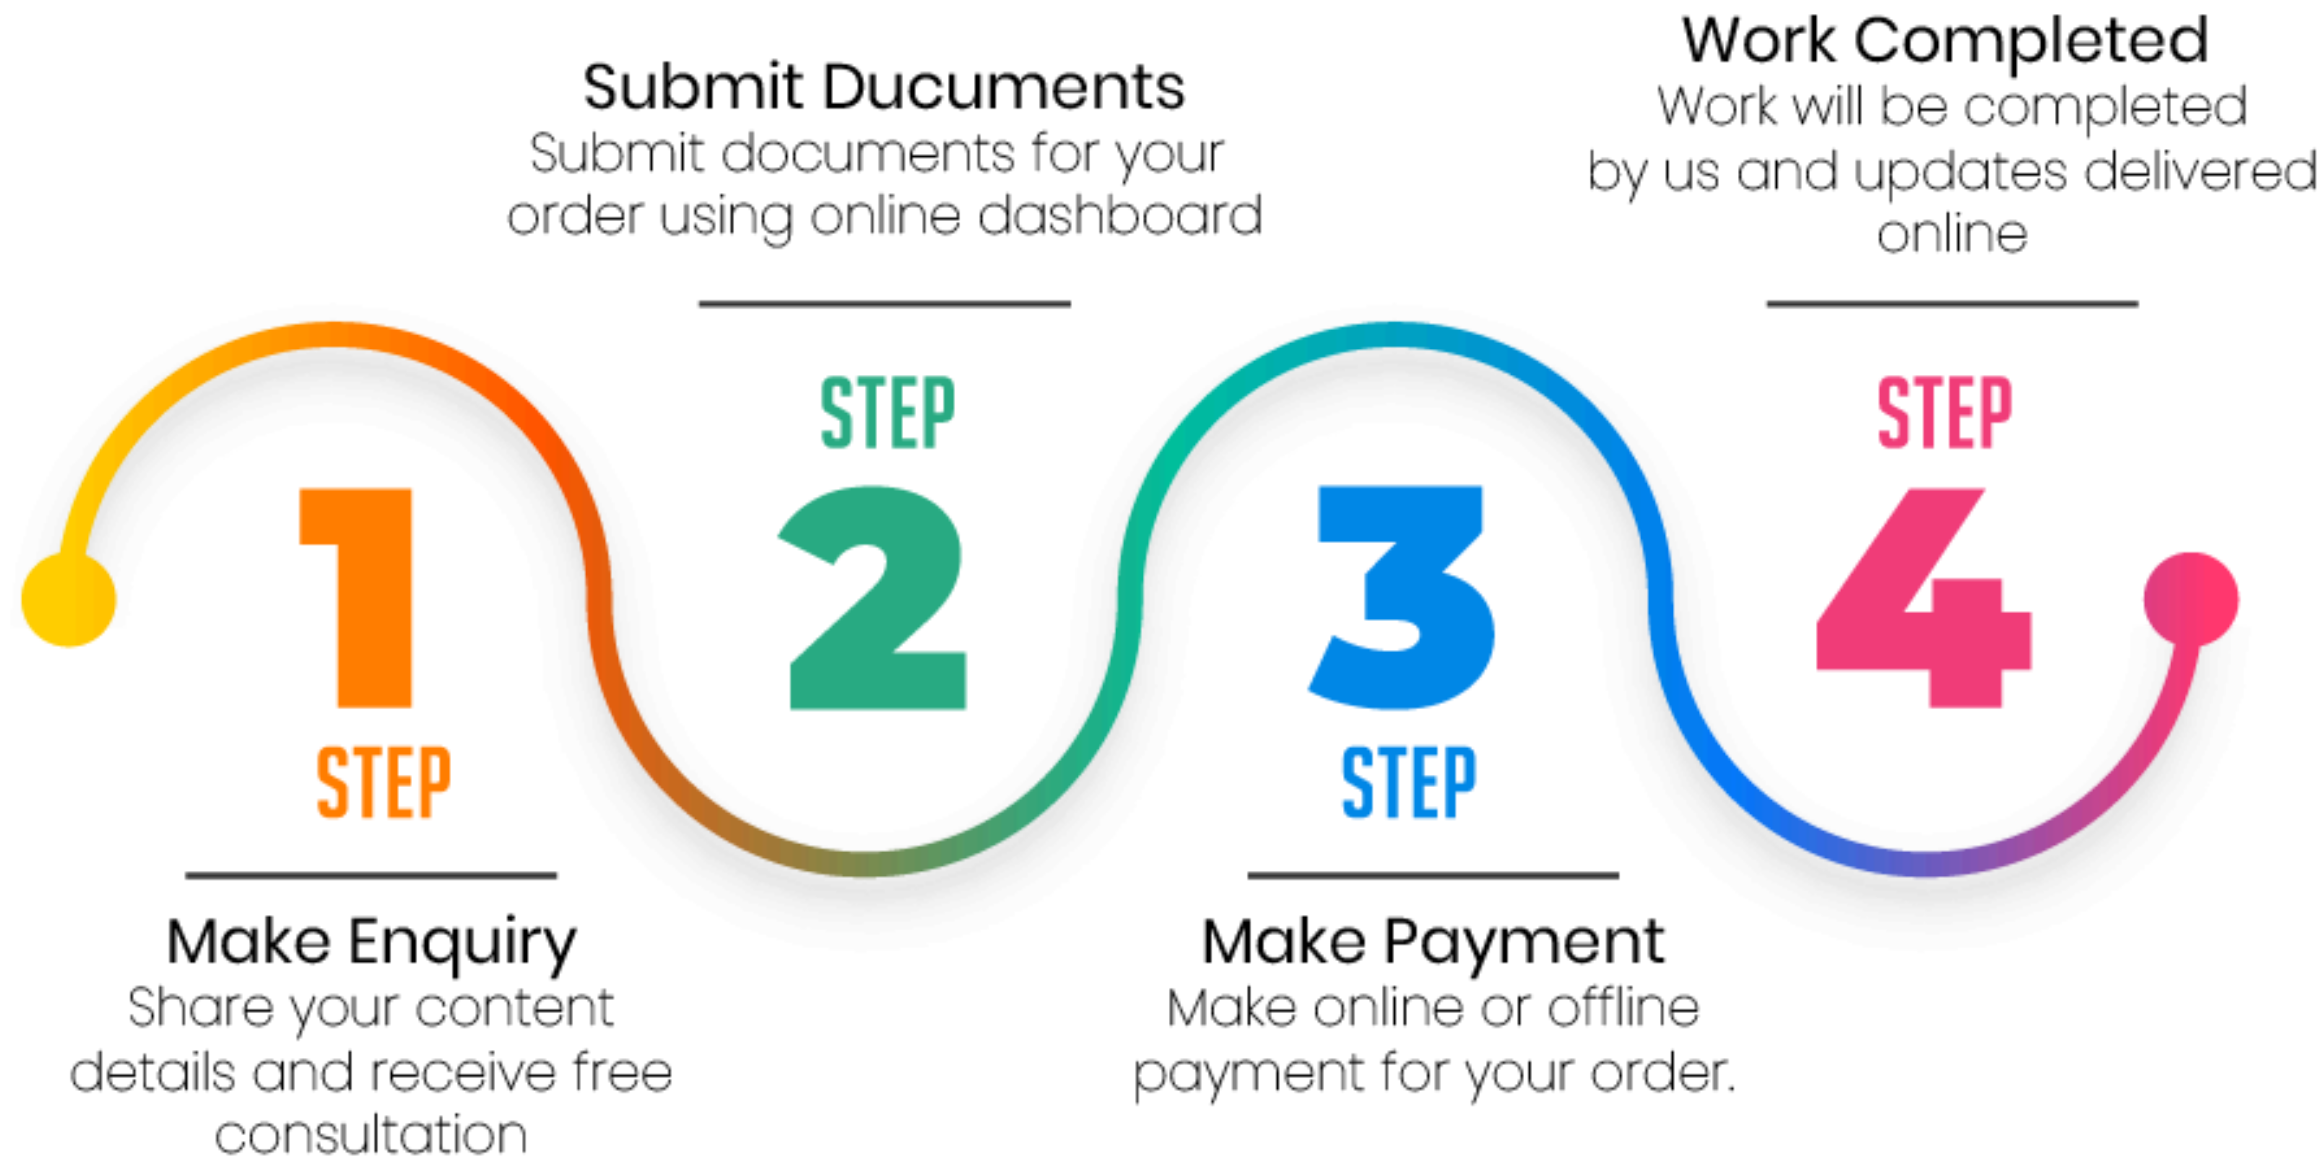

Income Tax Return (ITR) filing ensures your financial records are accurate, compliant, and aligned with government regulations. A well-managed filing process reduces errors, avoids penalties, and gives you clarity about your income, investments, and tax liabilities. With proper guidance and timely submission, individuals and businesses can enjoy a hassle-free experience and focus on their growth with confidence.

TYPES OF INCOME TAX RETURN

INCOME TAX RETURN (ITR) FILING

BUSINESS FORMATION & REGISTRATION

Business Formation & Registration sets the foundation of your company by creating a legally compliant structure that allows you to operate, grow, and build trust in the market.

Private limited company registration

One Person Company (OPC)

Limited Liability Partnership (LLP)

Partnership Firm

Sole Proprietorship

Public Limited Company

Private Limited Company Registration

A structured and scalable business setup ideal for startups and growing companies, offering limited liability and secure ownership.

One Person Company (OPC)

A single-owner company model that gives full control to one individual while still providing limited liability protection.

Limited Liability Partnership (LLP)

A flexible partnership structure where partners enjoy limited liability with minimal compliance and operational ease.

Partnership Firm

A straightforward business setup where two or more individuals collaborate and share responsibilities, profits, and liabilities.

Sole Proprietorship

A simple, low-cost business structure fully owned and controlled by one individual, suitable for small and independent businesses.

Public Limited Company

A company structure that allows raising capital from the public, suitable for businesses aiming for large-scale growth.

GST REGISTRATION

A GST return is a document that has been filed by taxpayers who are registered under GST with the tax authorities. It contains details of income, sales, purchases, tax collected on sales (output tax), as well as tax paid on purchases (input tax credit). On the basis of these GST Return Filing Online, authorities can assess tax payments and allow input tax credits. It will also help in the calculation of the net tax liability and makes sure about compliance tax laws. You can file your GST Return through the online portal of GST.

TYPES OF GST

- ✓ SGST (State Goods and Services Tax)
- ✓ Central Goods and Services Tax (CGST)
- ✓ Integrated Goods and Services Tax (IGST)
- ✓ Union Territory Goods and Services Tax (UTGST)

Audit & Assurance

Audits play a vital role in evaluating the accuracy of a business's financial records and the effectiveness of its operational procedures. They help ensure compliance with regulatory standards while uncovering inefficiencies that may hinder performance. By reinforcing the integrity of financial reporting and fostering greater accountability, audits serve as a critical tool for achieving statutory compliance, improving operational efficiency, and managing risk—ultimately laying the groundwork for sustainable business growth.

Taxfincom partners with experienced chartered accountants and established audit firms to provide dependable, precise audit services. Through these collaborations, we ensure that each aspect of the audit process is handled thoroughly and in accordance with all relevant legal and regulatory requirements.

CMA Data & Project Report Services

At Taxfincom, we believe no financial dream should go unfulfilled due to lack of funding. That's why we bring together the power of data, technology, and financial expertise to help individuals, SMEs, and corporates access the right credit solutions at the right time.

We offer 80+ customized loan products, powered by a smart, algorithm-based platform that simplifies comparison, analysis, and selection of the most suitable financing options. From application to disbursal, Taxfincom stays with you every step of the way—as your Personal Finance Partner.

Insurance & Investment Services

In an unpredictable world, insurance serves as your financial safety net protecting individuals, families, and businesses from unforeseen risks and losses. Whether it's securing your home, ensuring your employees' well-being, or safeguarding your company against liabilities, the right insurance coverage provides peace of mind and long-term stability.

From personal needs like Medclaim, Motor, and Travel Insurance, to business-specific policies such as Trade Credit, Contractor All Risk, and Directors & Officers Liability, insurance is not just a product—it's a promise of protection, continuity, and resilience.
